PARIS BEHIND THE TIMES.

First Building with American Con-Recently Erected.

It is only of late years that even the more pretentious homes in Paris would create any enthusiasm in the minds of Americans, accustomed as they are to many conveniences which considered great luxuries in France, says the Architectural Rec-

It is no unusual thing to see a cart with a yellow-painted bathtub and a tank of hot water stop before houses in fashionable quarters.

Elevators have just come into general use, and, with the exception of those of American manufacture, are usually slow, uncertain and complicated in mechanism. Wax candles are to be seen in the chandeliers as often Things are, however, changing, and

last year in the avenue du Bo's de Boulogne a model building was erected, which combines French elegance with all the American comforts is of white sandstone, in late Loui XV, style, with the entrance at the ide through heavy iron and glas There's Nothing Too Good For Your Home.

The building consists of (w. "ho-tels" or private residences, and one apartment. The first "hotel" occupies the first two floors, the apart-ment the third, and the second "hotel" the fourth and fifth. The ADD TO ITS BEAUTY and Comfort by Buyooms for the servants are on the sixth floor. The "concierge" or gatekeeper has his lodge just inside the entrance. He opens the gates and has the su-

pervision of the general halls and staircases, and also chair of the heating of the entire house in win AN EFFECTIVE ALARM CLOCK. Indertaker and dealer in Furniture, Wall Paper, Window Shades,

Given Bim a Jawing at the Same Time. Farmville Building & Trust Co. "Ring-a-ding-a-ding a ding! Get up, you lazy loafer! It's seven o'clock!" Those strenuous words, preceded by the tinkle of a brisk lity preceded by the tinkle of a brisk lity.

RICHARD M. SMITH, M. A., Ph. D., tle bell, caused a visitor in a West Philadelphia house to hop out of bed the other morning with immense suddenness, says the Philadelphia Record W. PAULETT, Clerk Board of Trust

The words were so authoritative that he had the same feeling of sub mission he had when a schoolboy and his father called him. So he jumped up now without question.

What had awakened him was a

phonographic clock, an ingenious arrangement devised by his host, which was so set that the same spring which started the alarm started, a moment later, a phonographic attachment. The maker of the phonographic clock said he thought of patenting it.
"You see," he said, "the phono

graph, speaking to you after the graph, speaking to you after the alarm wakes you, can be made to say different things—can be made for instance, if you have an important engagement, to tell you of it—can be made to state emphatically to you, don't you know, the reason why you should arise. It walks made in the case of the cas On Real Estate or any other good collateral. Terms easy and rate of in-terest LOW. Long or short time. Money received on deposit and 5 per cent dlowed on same. For full information call on or address why you should arise. Usually in phonograph says to mer 'Get up, it' seven o'clock. Get up, or t will dock you for being late."

LUXURY AND GOOD HEALTH. One May Enjoy Both in These Days of Sanitary Foods and Drinks.

There never was a time, perhaps, in the history of the world when there was such a determined effort to find and keep good health as at present Young and old are beginning to real ize, apparently, that something mus-Foods almost by the hundred are of fered as sure promoters of vitality and attractive advertisements con tain more or less learned discussions upon the value of strong nerves, pure blood and a clear brain, says the Cleveland Leader.

foods are devoting much of every house in which there are you people contains its quota of gyn nasium spparatus. Outdoor and it ever before. Golf, baseball, footbattennis, basketball, bowling and oth forms of amusement which indu perspiration and increase the action of the heart are depended upon to supplement more physical culture, so-called, in building up strong bodies and laying the foundation for good health and long life.

Rattles of the Rattlesnake. The rattle-nake's rattle consists of a number of hollow, horny ciago. somewhat like quill in substance and interlocked with one another, while they are so elastic as to permit of a considerable amount of motion between them. These rings are not in dicative of age, as has been supposed, since in some years several appear. while in others only one ring may be Farm of four developed.

The sense of smell is most nearly allied to that of taste. Hearing and seeing depend upon nerve responses to board, Washing, Text Books, Medice, responses to vibrations in the air in the ether. In order to taste a subject it has to be 25st, 8st. For Canadague aim of the wholly or partially dissolved; in order to smell a substance it must encounter the offactory organs as a vapor, an emanation, a cloud of particles arising order to taste a subject it has to be from odoriferous matter.
